

TLILIC0003 LICENCE TO OPERATE A FORKLIFT TRUCK STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Whilst optional, the pre-course learning material greatly assists your preparation for the course.

3. Attend Training & Book into your SafeWork NSW Assessment

Standard Course

Undertake your theory and practical training and assessment in preparation for your High Risk Work (HRW) Assessment.

Undertake your HRW Assessment.

Duration: Up to 2 Days + Assessment

Advanced Course

Undertake your theory and practical training and assessment in preparation for your High Risk Work (HRW) Assessment. Prior to attending the course, please ensure that your Student Workbook has been completed.

Undertake your HRW Assessment.

Duration: Up to 1 Day + Assessment

Express Advanced

Undertake 1/2 a day of theory and practical training and assessment in preparation for your High Risk Work (HRW) Assessment. Prior to attending the course, please ensure that your workbook and online quiz has been completed.

Undertake your HRW Assessment.

Duration: Up to 1/2 Day + Assessment

4. Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA). This document allows you to immediately operate an LF Forklift.

NATIONALLY RECOGNISED
TRAINING

You will also be issued with a Statement of Attainment for TLILIC0003 Licence to operate a forklift truck.

You can apply for a high risk work (HRW) licence or add a new licence class on an existing HRW licence, at worksafe.qld.gov.au using the 'Online services'. Your Photo Licence will be mailed to you directly. Valid for 5 Years.

*Post Office application fees apply.
